We Dedicate the 1978 Talon to Mrs. Joann Powell

for all the dedication she has given to all aspects of her life. As sponsor of the Talon staff, she spends many hours working on deadlines. She teaches typing and office services, besides printing material for teachers and organizations.

At home, her husband, Lee and two children Greg, 13 and Jeff, 11 take up much of her time. She enjoys horseback riding, participating in the Woman's club and visiting their farm in Cynthiana, Kentucky.

Unfortunately, this may be the last year Mrs. Powell is at EHS, so before you leave, we proudly dedicate the 1978 Talon to you, for you are more than a teacher, you are a friend to us all.

A NEW IDEA AND A NEW FACE AT E.H.S.

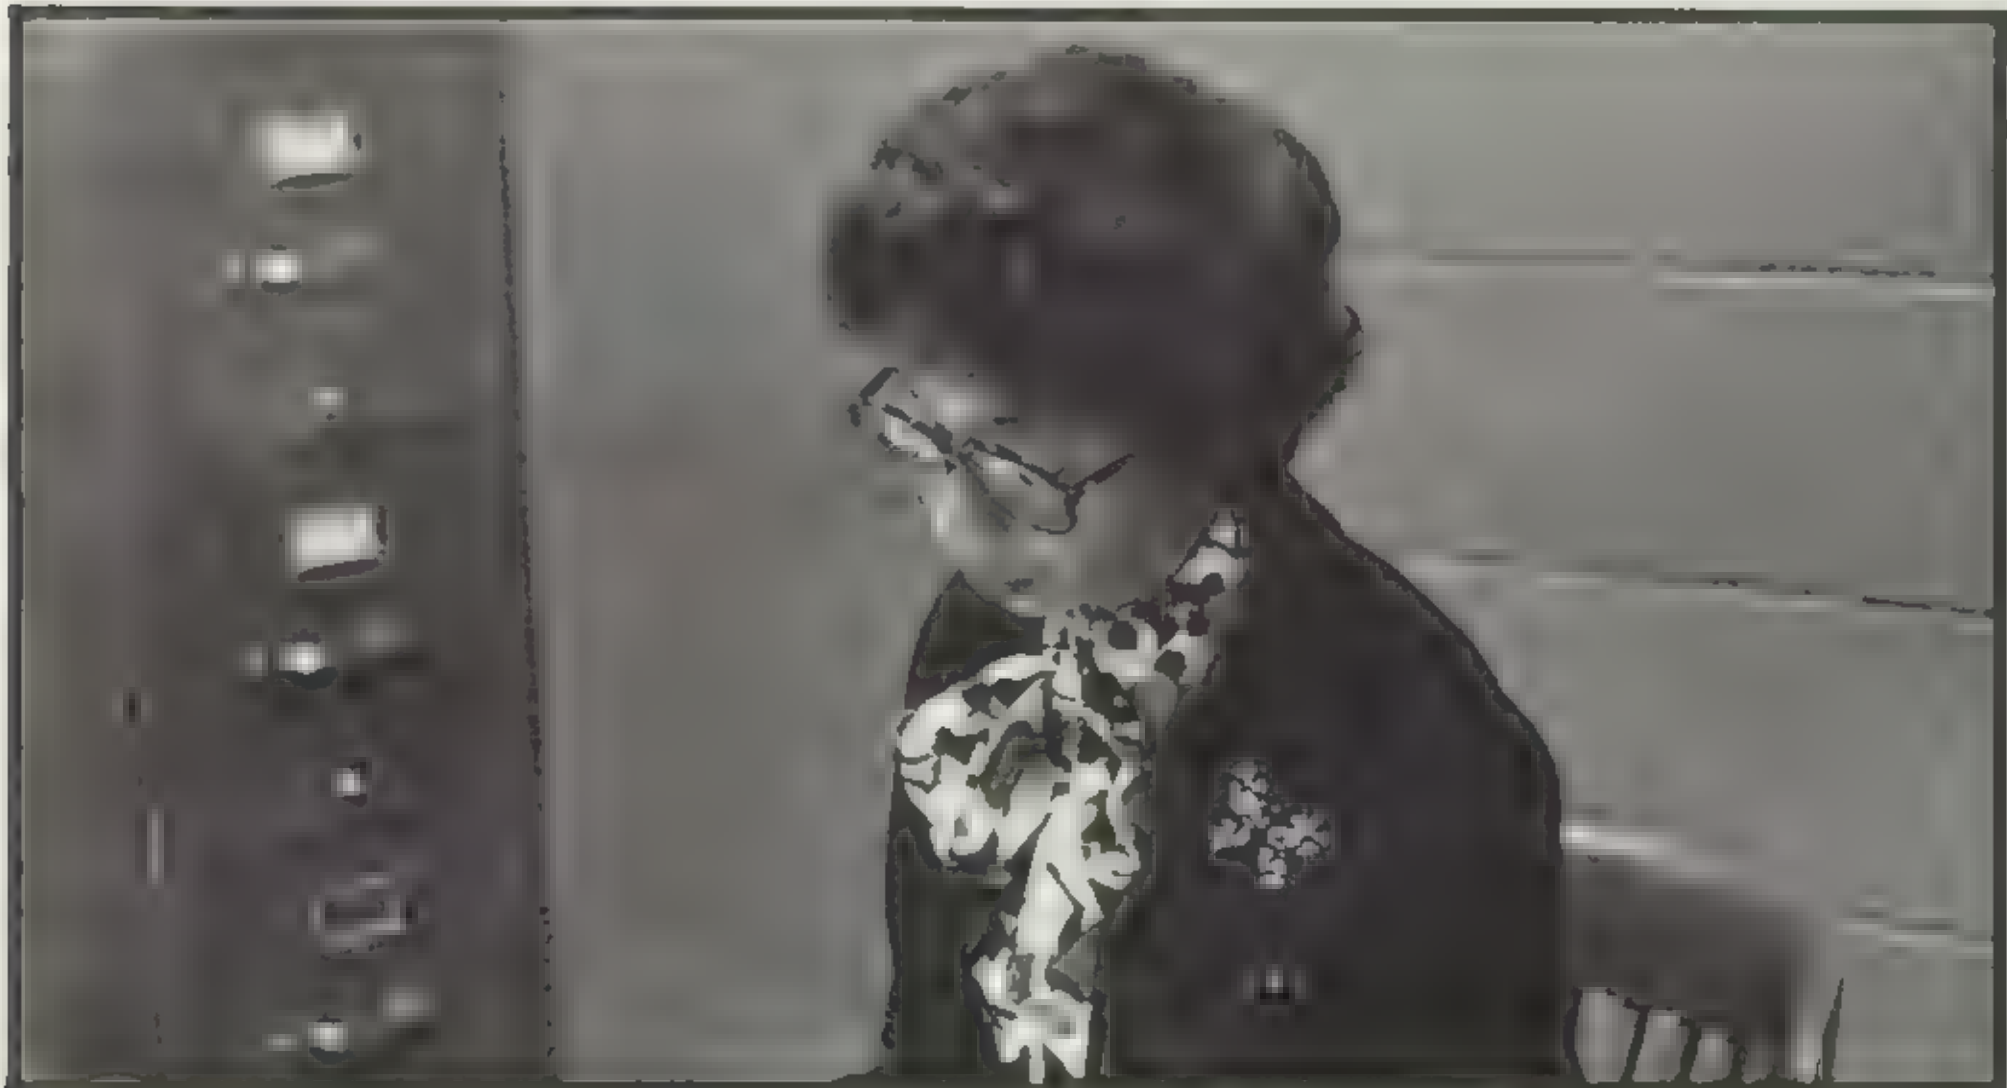

PATS TEAM

Positive Alternatives to Suspension (PATS) is a program being introduced around Jefferson County schools this year.

Three people are connected with the program: Lead Teacher, Mr. Dick Young; Student Activities Liaison, Mr. Larry Singleton; and Parent Activities Liaison, Miss Alice Parker. Miss Parker comes from the Brown Education Center, while Mr. Young and Mr. Singleton were previous teachers at E.H.S.

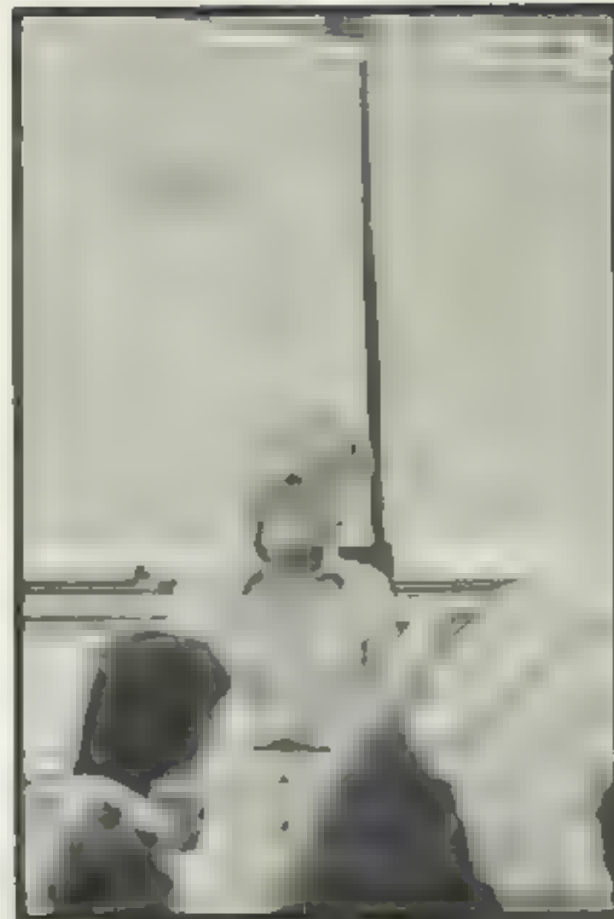

NEW ASSISTANT PRINCIPAL

Eastern High School has had a new addition to their administrative staff. Ms. Abby Fife has the role of Assistant Principal. Before coming to Eastern, Ms. Fife was a faculty member at Western Middle School for 12 years where she taught Special Education, and was an Assistant Principal for six years. According to Ms. Fife, she has enjoyed her first year at Eastern and has no immediate plans. Outside of school, Ms. Fife is very involved in the Plymouth Congregational Church where she is superintendent of the Sunday school, and works with the children's choir and young people. Ms. Fife's other interests are bridge, handcrafts, sewing, ping pong, and many types of music. Ms. Fife also enjoys sports — basketball being her favorite.

James Lynch eyes the finish

Coach White remarks, "I wouldn't want to be in your shoes, today. The competition looks tough."

The Cross Country team was small again this year, but they gained a new runner from Louisiana, James Lynch. He was a great asset to the team. He won the County and Regional meets, and is a possible winner for the State. The team, as a whole, placed 6th in the County and 3rd in the Regionals.

Allen Whaley is coming in ahead of Mike Farrar and Jeff McGinnis.

Madison Crum fixes as he comes to the finish.

Ken Jucks shows the agony of running the two mile race.

Brian Macy warms up before a meet.

James Lynch tires after he finishes a race.

The J.V. team had quite a few more members than in the past. This group of young men have a lot of potential and in a couple of years should mold into a good varsity team.

They won the Oldham County Tournament, placed third in the Trinity Christmas Invitational, fourth in the Woodford County Tournament, second in the Falls City, won the Region, and placed third in the State.

Mike Miracle (98 lb.) placed second in the Region and State and won two tournaments. (27.5) Todd Ryan (105 lb.) placed third in the State, second in the Region, and won two tournaments. Jim Martel (126 lb.) came in third in the Region. Scott Wilkerson wrestled in the 112 lb. division. Don Trueblood, a sophomore, was in the 119 lb. division. Mike Moriarty (132 lb.) came in first in the Region, third in the State and won three tournaments. (30.1) Eric Edwardson (138 lb.) was a State semi-finalist, won the Region, and won three tournaments. Wrestling in the 145 lb. division was sophomore, David Arnold. Terry Waters (155 lb.) had a 22-7 regular season record, placed in the top 6 in the State, won his Region, and won one tournament. Blane Dickey (167 lb.) had a 12-8 season record, placed fourth in the Region. Dave McMillan (198 lb.) was the only State Champion, won the most outstanding wrestler in the state, won four tournaments, and had a 32-0 season record. He broke just about every record in the books. There were six sophomores and one freshman starting. They were lacking a heavy weight, which held them back in some meets.

"Eastern's girls' basketball teams saw a year of emerging new talent and maturing returning players. Members of the winningest girls J.V. team ever at Eastern helped to strengthen the varsity squad by adding depth on the bench. It was a frustrating season, complicated by injuries, illness, missed practices, and rescheduled games; a season highlighted by victories and team efforts; a season that holds promise for the future of girls' basketball at Eastern High," quoted Coach Deanie Feger.

At the end of the season and after the District games were finished, Lynn Pundzak and Paula Merritt were voted on the All District Team.

This has been the best season ever for the J.V. girls. The team consisted of Juniors: Leslie Gividen, Cindi Mer shon; Sophomores: Co-captains Jes sie Shuler and Vicki Davis; Freshmen Debbie Brooks, Marianne Dixon, Car rie Hellwig, Denise Johanson, Con nette O'Bannon, Gayle Williams; and the lone eighth grader, Sid Kittila

"When the girls' J.V. season started this was the first year I've ever had a team with too much talent. We had a team with eleven starters. These young ladies will be a great value to any team on which they play and I hope they will play for Eastern," stated Coach James Holman

It was the first time to the games for Missy Earle, Monica Thomas, Karen Trowell and Susan Lynch. However, it was just as exciting for the experienced members. On Saturday morning Monica Thomas ran and placed 4th in the hurdles, with a time of 10 01. Susan Lynch participated in the long jump Lynda Steele, Stacie Martin, Karen Trowell, Missy Earle ran the 440 and 880 relay Saturday night. They ran the 440 in the time of 55 04 seconds placing 3rd. In the 880 relay, they placed second in their heat with a time of 2.16. But the victory was short lived, since they were disqualified because they had stepped out of zone
